

On behalf of **Welwitschia Primary School**, I extend our heartfelt gratitude for your generous donation, which was officially handed over during the 2024 prize-giving ceremony. Your support continues to inspire our learners, teachers, and the wider school community.

We are pleased to share the remarkable outcomes that have been realized as a direct result of your contribution:

- The school achieved an **82.3% pass rate in Semester 1, 2025**, a significant improvement compared to previous years.
- Learners who had consistently scored below 50% gained **renewed confidence and self-esteem**, motivating them to aim higher.
- The donation helped foster **healthy academic competition** in an inclusive school environment, encouraging all learners to excel.
- Your support has uplifted the **reputation of our school**, making Welwitschia Primary known as a “school of honour” where parents are eager to enroll their children and positively involved their learning to end Learning Poverty within our school and all schools attached to our cluster school.

Currently, our school accommodates **434 learners**, guided by a dedicated team of **20 staff members**. Despite the progress, we continue to face challenges, especially in the areas of classroom infrastructure, digital teaching and learning tools, modern playground facilities, and sports attire for our learners, School hall and shade for our learners.

Beyond material support, Gondwana Collections' commitment serves as an **academic and moral inspiration** to our school community. You have demonstrated the power of partnership in transforming education, and your role has gone far beyond a single donation—it has built hope, pride, and ambition in our learners.

We look forward to strengthening this relationship and to future collaborations that will ensure every learner at Welwitschia Primary School receives quality education and holistic development.

Equally this year will have the same event schedule in the dates to be communicated officially to our company and its dedicated team. We are looking forward for your impactful donation that have brought real smile to many of our clients.

Our sincere appreciation,

Puvari H .Katundu

Principal
