RE: Appreciation for Christmas Gift Bags

I would like to express my deepest gratitude for the yearly donation of Christmas gifts to our learners. As a recurring, donor, your genericity has been well noted and I appreciate the efforts you have shown us as a school in having an interest of gifting our top performers. Thank you, Gondwana for choosing us. Your yearly donation is one of the biggest extrinsic motivator of our learners because it has enabled us to have our yearly award ceremonies. This motivation in return is yielding good academic performance results and it has lifted off some weight from the parents' shoulders.

Thank you, your donation is highly appreciated

Yours in Education

Ms Selmah M Sikabala
