THE GONDWANA CARE TRUST SUPPORTS THE FOLLOWING PROJECTS ACROSS NAMIBIA:

WINDHOEK | OKAHANDJA | REHOBOTH GONDWANA TRAVEL CENTRE

Dagbreek School:

This public school welcomes children with special needs. Gondwana also welcomes a group of learners free of charge at their lodges, every year.

MEGS

Association ran by a family providing care and a warm meal to the most needy in the Katutura area. They visit the bed ridden elderly and deliver food parcel. Once a week they prepare a meal for the most needy.

DSW Primary School

This public-school welcomes children from all over Namibia. The Gondwana Care Trust supports the school hostel with groceries and meat donations through MealForTwo.

The “Heal the Land”

Provides a warm meal to the most needy and elderly in the community. They distribute food parcel and clothing to children and adults. Working together with “Light of Hope”, an association that provides first aid care, basic hygiene, clothing and a meal to the street kids.

The Mammadu Trust

provides education, homework support as well as three meals a day to Katutura disadvantaged children.

Khaibasen Community Centre (Okahandja)

The center provides shelter and safety to children living in the street and around the rubbish dumpsite in Okahandja. The centre also provides a warm meal to the children on a daily basis and pre-school tuition to the youngest.

Senior Park (Windhoek)

Old Age home in Windhoek providing a safe environment for the low income older generation.

MountView Secondary School - Khomasdal

Secondary Public school in Katutura outskirts provides education to children who have not been able to get into other public schools. Most classes are done under tents.

Lidar Foundation - Katutura

This organisation supports children and young mothers in the Katutura community, by providing a warm meal, study support and training to aid the youngsters in becoming self-sufficient.

KATIMA

ZAMBEZI MUBALA LODGE

Kalundu Pre-School (Katima)

Pre-school in rural outskirts of Katima. The only pre-school in this area that allows children to get school ready and allow the kids to stay with the parents instead of being sent away at an early age.

Sikunga Fish Guards

The Fish Guards form part of the Fish Protection Project in the Sikunga Conservancy and play a crucial role in the protection of the fish stocks and the river systems within the Zambezi River. Preservation of the Carmine Bee-Eater colony.

RUNDU

HAKUSEMBE RIVER LODGE

Paukeni Kindergarten
